 Dear All,

**Information on rubber material change of Vacuum Generator VLM nozzle set unit and Vacuum Gripper (Nozzle set part)**

We would like to express our sincere gratitude for your continued patronage.

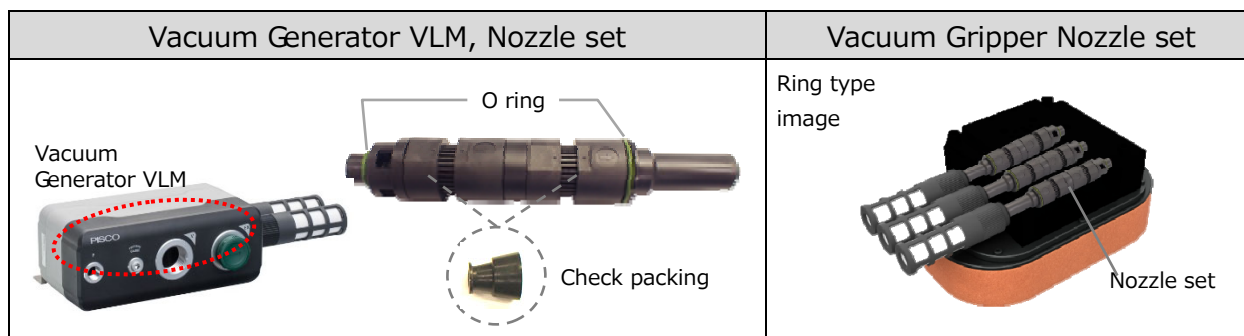

We would like to inform you that we will change the material of our vacuum generator VLM nozzle set unit for the purpose of ensuring the stability of the rubber parts.

Also, the vacuum gripper equipped with this nozzle set will be changed in the same way. We would like to thank you for your understanding.

Best Regards,
