Discontinuation of Solenoid Valve SVA20 & SVA21 series

We would like to express our sincere gratitude for your continued patronage.
This is the discontinuation notice of our Solenoid Valve SVA20 and SVA21 series.
As the production facility to produce main parts for these products deteriorated over the years to the point the continuation of production has become extremely difficult, we have come to the decision that we will terminate the production of SVA20 and SVA21 series.
We apologize for any inconvenience this may cause to our customers.
We appreciate your understanding.
